

## DIY's "Rescue Renovation" is searching for Denver Homeowners

I am the casting producer for **The DIY Network's** hit show "RESCUE RENOVATION". We are reaching out to the community in hopes of finding some do-it-yourself Denver area homeowners who have gotten in over their heads and have stalled in their home renovation project. Hoping that you will share this awesome opportunity with the **Green Valley Ranch**.

You should know selected applicants should have started a remodel of one area of their home (demolition stage preferred), but are now stuck for one reason or another and don't know what to do next.

Licensed contractor and **host, Kayleen McCabe**, and her team of experts which includes a designer and subcontractors will come to the rescue and save these project-challenged homeowners! Applicants must have an appropriate budget already set aside for the renovation. If interested, please e-mail [rescue@highnoontv.com](mailto:rescue@highnoontv.com) for an application, or apply on-line at: [http://www.highnoonentertainment.com/casting\\_apply\\_new.php?application\\_id=2A](http://www.highnoonentertainment.com/casting_apply_new.php?application_id=2A) . If you have any questions, I can be reached at 303.872.8708.

Best,
